

MOBILE HYGIENE IMPACT REPORT

JAN-MAR 2023

lavamaeX

ABOUT

LavaMae^x brings showers and toilets on wheels to the streets of the San Francisco Bay Area and Los Angeles to help our unhoused neighbors rekindle dignity, restore hope, and unlock the opportunity that comes with being clean.

To date, we've reached more than 32,500 people with 86,500 showers and other care services.

SUPPORTING PROGRAMS

Hygiene+

LavaMae^x brings targeted care and wellness services alongside our mobile hygiene service on a regular basis. These services include case management, healthcare, clothing, haircuts, and more.

Volunteer

Volunteers are critical to serving our guests with Radical Hospitality. They help prepare our shower stalls, hand out hygiene essentials, and make our guests feel seen and welcomed.

In-Kind

Every mobile hygiene guest is provided with the hygiene essentials they need to have the best hygiene experience possible. These include socks, underwear, razors, deodorant, clothing, and more!

SIGNATURE STORY

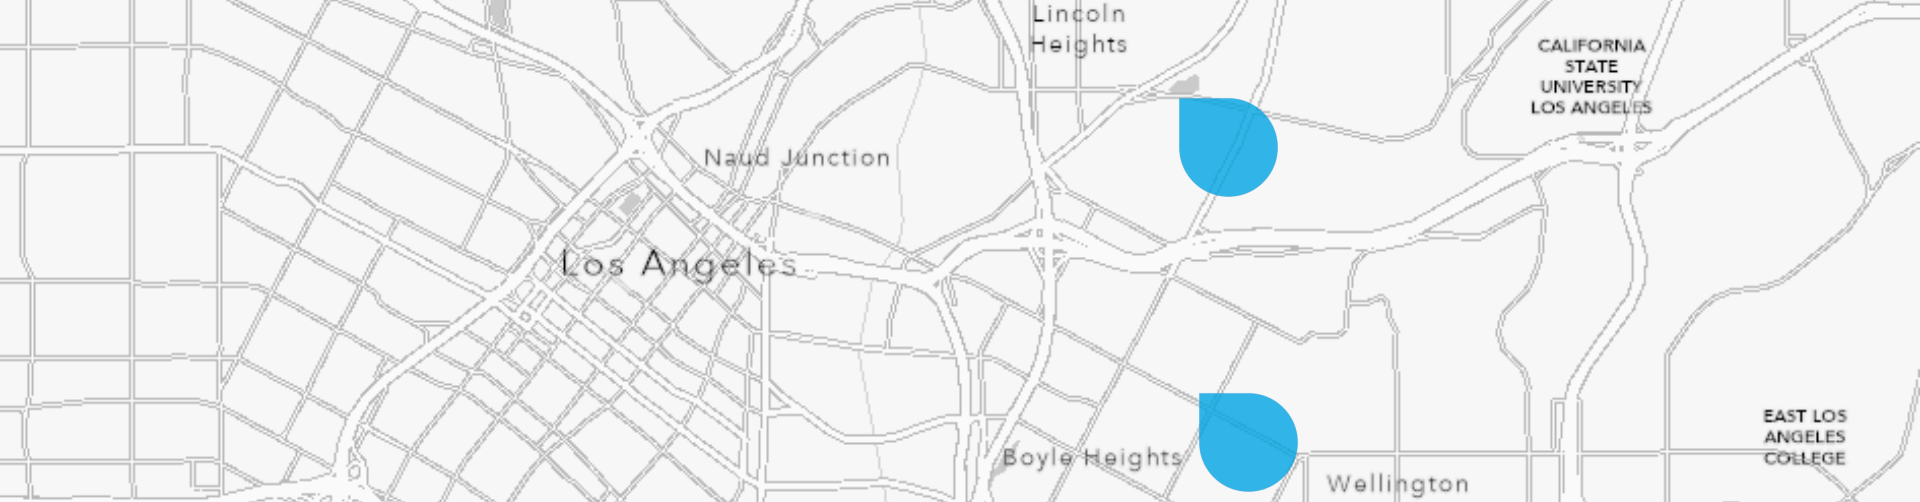

Tingaling Moon, LLC brought a very essential need to our guests. They donated and delivered an entire pallet of 72 cases of bottled water!

This donation caused an immediate impact on our guests at our shower site in San Francisco because it is a simple necessity that many of our guests don't always have access to.

With the help of In-kind donors like Tingaling Moon, we can continue to bring Radical Hospitality to our guests!
